Welcome to the Three Mile Lake Virtual Community...

The screenshot shows the homepage of the Three Mile Lake Virtual Community website. On the left is a vertical navigation menu with links: Home, News & Events, Members, Your Lake & Environment, Local Web-Cams, Photo Gallery, Businesses & Organizations, MarketPlace & Lost/Found, Ethics, Contact, Road to Three Mile Lake, Search Site, and Cottage Guest Book. The main content area features a header with the site logo and title, followed by a navigation bar. A central banner reads "Free Mile Lake Community Club will be held at the Katrine Commu...". Below this is a welcome message: "Welcome to Three Mile Lake! Stay Connected - Visit Often!". There are several icons and links: "The Weather Network", "Three Mile Lake Weather", "NEW! Info on creating a new Community Health Centre for Almaguin...", "Follow Us on Twitter!", and "Join Our Facebook Group!". A section titled "Latest Blackfly and Mosquito Rating Report!" is partially visible. Below this is a large photo of a wooden dock with two chairs on a lake. To the right of the photo is a text block: "Conveniently located in the Almaguin Highlands region, Three Mile Lake is one of several lakes of the same name in Ontario. This particular Three Mile Lake is just outside the village of Burk's Falls in the Parry Sound District, 30 minutes north of Huntsville and 60 minutes south of North Bay.... This site includes local news and announcements, web cam, lake water quality information, a blog and photo gallery, and links to other sites of interest. Come back and visit us 'virtually' on a regular basis!". At the bottom, there is a paragraph about the association's focus on environmental maintenance and a list of goals: promoting programs, communicating items of interest, protecting interests, providing a sense of community, and being a responsible part of the broader community. A disclaimer follows, stating the site is volunteer-run and not liable for errors. A link to "Current list of TMLCC Directors" and a "You are Cottage Guest number....." field are also present.
