Conveniently located in the Almaguin Highlands region, Three Mile Lake is one of several lakes of the same name in Ontario. This particular Three Mile Lake is just outside the village of Burk's Falls in the Parry Sound District, 30 minutes north of Huntsville and 60 minutes south of North Bay.

This site includes local news and announcements, web cam, lake water quality information, a blog and photo gallery, and links to other sites of interest. Come back and visit us 'virtually' on a regular basis!

The Three Mile Lake Community association is a group of cottage owners, local residents and local businesses focused on the on-going enjoyment of our lake. We do this by:

- Promoting programs focused on maintaining the environment and sustaining water quality.
- Communicating items of interest to permanent and seasonal residents.
- Protecting the interests of the lake, the community and its residents.
- Providing a sense of community through fundraisers and social events.
- Being a responsible part of the broader community.
